REX SURGERY CENTER OF WAKEFIELD, LLC
NOTICE TO PATIENTS

As a prospective patient of Rex Surgery Center of Wakefield, LLC we are pleased to inform you of the following:

DISCLOSURE OF PHYSICIAN OWNERSHIP

1. The Rex Surgery Center of Wakefield, LLC is partially owned by physicians and meets the federal delineation of a physician owned facility as specified in 42 CFR 489.3. The following physicians have ownership in Rex Surgery Center of Wakefield, LLC:

   John Thordsen, MD
   Rebecca Manning, MD
   Raynor Casey, MD
   John Denny, MD
   Brett Dorfman, MD
   Esa Bloedon, MD
   Edward Kim, MD
   Daniel Vig, MD
   Mike Hodos, DPM
   James Judge, DPM
   Norman Goldbach, MD

2. You have the right to choose the provider of your health care services. Therefore, you have the option to use a health care facility other than the Rex Surgery Center of Wakefield, LLC.
3. You will not be treated differently by your physician if you choose to use a different facility. If desired, your physician can provide information about alternative providers.

DISCLOSURE OF EMERGENCY RESPONSE PLAN

1. The Surgery Center has arranged for one or more physicians to be on-site at the Center and available to respond to medical emergencies during daytime hours of operation; when patients are present in the facility, Monday through Friday. However, we cannot guarantee that a physician will be present at the Center at all times. The Center has taken certain measures to ensure that qualified and properly trained medical personnel are available to respond to any medical emergency that may arise when a physician is not present at the Surgery Center.
2. The Surgery Center staff is experienced and qualified registered nurses who will contact your physician or the physician on call in case of an emergency.
3. If you would like additional information about the Surgery Center's capabilities for handling medical emergencies, please contact Rachel McCants, Executive Director, rachel.mccants@unchealth.unc.edu.

DISCLOSURE OF ADVANCED DIRECTIVES POLICY

1. The management of this center understands the importance of patient's wishes pertaining to Advanced Directives, however, due to the nature of services and types of patients admitted to the center, physicians will use all measures possible to sustain life.
2. Patients will be transferred to the nearest hospital emergency facility.

If you have any questions regarding the information contained in this Notice to Patients, please feel free to ask your physician or a representative of the Surgery Center. We welcome you as a patient and value our relationship with you.
